**I'm your neighbor.
A place to call home changed my life.**

**YOU
KNOW
me...**

Sober now for nine years, I have a home and a steady job. But I was homeless once.

Safe housing was the key to my recovery. After being on the streets so long, I didn't know where to start when I got sober. Having supportive people and services helped me break the cycle of addiction so I could rebuild my life.

Please support safe housing – a wiser way to solve homelessness.
